## Georgia Mayor Supports UAW; Workers Striking Across America

**“I’m with all that,” says Mayor khalid.**

**Monday, 18 September 2023** — i stand in solidarity with mighty United Auto Workers. And the Teamsters. And the Writer’s Guild, SAG-AFTRA, Starbucks, Waffle House, Dunkin Donuts, Durham Solid Waste Workers, Youngstown City School District, National Nurses United — every striking worker in America.

Workers are entitled to the wealth they create and a retirement they can *live* to enjoy. Please contact our office and let us know how we can support you; even strike with you. i’m with all that.

Solidarity forever.
