Madam City Manager, Chief Meadows & Council:

With deepest regrets, please accept this email as my notice of Veto of the Lease of NG One Hartsfield, LLC, Triumph Motorcycles (America), LTD (aka 100 Hartsfield Center).

Personally, it concerns me that a police department still under investigation by the Georgia Bureau of Investigation (GBI) — in which multiple officers, in polygraphed statements, affirmed that inappropriate conduct and evidence tampering were reported up the chain of command — would have that same command staff move their offices further from the supervision of our City Manager to a site outside the city.

As an official sworn to uphold our democracy, it troubles me that a decision of such import and expense would be made at a Special Called Meeting without Public Comment. As has often been the case throughout this year (and emails below show) my attempts to raise these issues with Council "behind closed doors" fell on deaf ears. Many of the media storms battering our city have been created by our own failure to listen to each other — and our citizens — before taking action.

**I am certain this veto will be overridden at our Public Meeting October 25, signed by the City Manager that night, and South Fulton Police Department (SFPD) command staff will be able to assume the lease beginning November 1.** But first, our citizens will have their say — as is their inalienable right.

Good Afternoon Mayor khalid,

The majority of City Council is not willing to add public comment to the Special Called Meeting agenda scheduled for October 11, 2022 since that would be inconsistent with past practice.

Thank you.

Dear Council:

1. If we must approve this Tuesday, I am asking for the 10/11 Special Called Meeting to include Public Comment.

**CM Jones:** Can we ensure that by COB today Comms has:

- a. a Press Release; AND
- b. a colorful one-page explaining SFPD's move to residents

2. After conversations with CM Jones, I am requesting we add the Jacobs sublease (which may not be ready for discussion by Tuesday) to the Wednesday, October 19 Special Called Meeting on Sanitation. This meeting could also be Thursday, October 20.

**Mr. Adams:** Could we do a poll on this to meeting to inquire as to which day is more preferable for my colleagues?

Please do not hesitate to respond here with any questions or concerns you have.
