CITY OF SOUTH FULTON ELECTED OFFICIAL VEHICLE USAGE POLICY

Adopted	
---------	--

The following regulations shall govern the use of City vehicles by City of South Fulton elected officials.

- A. Reservation of City Vehicles. City vehicles shall be assigned to elected officials from the City pool vehicle fleet on a first-come, first-serve basis for use associated with the performance of their official duties. The City Manager shall designate an employee to facilitate elected official vehicle reservation. No more than 48 hours of vehicle use may be reserved at a time by an elected official, with the exception that vehicles may be reserved by elected officials for overnight events outside the City the day before the event, through the day after the event concludes. At least three pool vehicles shall be dedicated by the City Manager for elected official and city manager office use at all times. Staff shall be permitted to use such vehicles dedicated for elected official use at all times during which such vehicles are not reserved for usage by an elected official.
- **B. Revocation of Usage Authorization.** The City Council may revoke an elected official's ability to reserve City vehicles:
 - 1. For up to six months, in the event an elected official violates this policy more than twice in a two-month period;
 - 2. In the event that the official has two (2) accidents in a City vehicle within an eighteen-month period and was found to be at fault;
 - 3. If the official fails to maintain a valid driver's license;
 - 4. While the official is placed on workman's compensation or under medical care in which driving is not permitted; or
 - 5. If the official has been convicted of one of the following offenses:
 - a. Driving Under the Influence (DUI)
 - b. Driving While Intoxicated (DWI)
 - c. Leaving the scene of an accident

d. Refusal to take a chemical test for intoxication

C. Use of City Vehicles.

- 1. With the exception of City employees/contractors assisting with City vehicle use and reservations, the elected official shall not allow any other person to operate the City vehicle during their reservation.
- 2. City vehicles are only to be used in connection with the elected official's performance of their official duties. Officials shall not operate City vehicles for the purpose of conducting any private business or enterprise, but may use the vehicles for activities incidental to their official use, such as stopping for food, nourishment, supplies, and/or gas.
- 3. All drivers and passengers must wear seat belts and obey traffic laws.
- 4. Vehicles interiors shall be kept and returned free of litter and debris, with the exception that vacuuming by the elected official shall not be required. The physical appearance of the vehicle must create a good impression.
- 5. The elected official must comply with any preventative maintenance programs which may be required by the City.
- 6. The elected official shall comply with all record-keeping procedures established by the City, including maintaining a mileage log for each vehicle when used.

D. Prohibited Uses.

- 1. Elected officials are strictly prohibited from operating a City vehicle while under the influence of alcohol and are likewise prohibited from using prescription or over the counter medication which may impair their ability to safely operate a motor vehicle.
- 2. No elected shall transport alcohol in a City vehicle.
- 3. The use of tobacco products is not permitted in City vehicles.
- 4. The transport of hitchhikers is prohibited.

- 5. No person shall be allowed to ride on running boards, fenders, hoods, tailgates, beds, or other locations on a vehicle not designed or approved by the vehicle manufacturer for passenger seating or in violation of State and Federal laws.
- 6. No one under the age of 16 is permitted to ride in a City vehicle unless related to the elected official by blood or marriage.

E. Passengers.

- Waiver Required. Before any non-City employee or non-City official is transported in a City vehicle operated by an elected official, the elected official shall cause for a City approved vehicle waiver to be executed for such passenger and kept on file with the employee designated by the City Manager to administer reservations.
- 2. Passenger Limitations. Passengers in City vehicles operated by elected officials shall be limited to persons helping to facilitate the event and/or those related to the elected official by blood or marriage. No passenger under the age of 18 shall be allowed to ride as a passenger in a City vehicle operated by an elected official unless they are:
 - i. Restrained while the vehicle is in operation in an appropriate seat belt, car seat or locking mechanism, as required by law; and
 - ii. Related to the elected official by blood or marriage.

F. Citations.

- 1. An elected official receiving a traffic or parking citation while operating a City vehicle shall immediately notify the City Manager's designee handling vehicle reservations.
- 2. The City assumes no responsibility or obligation to pay for any citations issued for a moving or parking violation(s). All fines and cost associated with the citation are the responsibility of the elected official.

G. Operator Licensing.

- 1. Elected officials operating a City vehicle shall possess a valid driving license during times of operations.
- Operators of vehicles or equipment requiring a special class license (e.g. CDL) and/or endorsement shall possess the same prior to operating such vehicles or equipment.

H. Altering Vehicles.

- 1. City vehicles shall not be altered in any way.
- 2. No City vehicle shall have any personal stickers, signs, flags, or any other similar attachment placed on or affixed to the vehicle unless approval by the City Council.

I. Vehicle Inspection.

- Officials should perform a "walk-around" of the vehicle to see if there are any visible problems prior to it being driven each day, including checking to make certain that all vehicle safety equipment, including headlights, turn signals, brake lights, and windshield washers are functioning properly.
- 2. Any vehicle damage beyond normal wear and tear or that includes defects affecting the safe operation of the vehicle must be reported to the employee designated by the City Manager to administer reservations.

J. Vehicle Accidents.

- 1. In the case of an accident involving any level of damage, the elected official driving the City vehicle shall promptly notify the employee designated by the City Manager to administer reservations.
- 2. When the accident involves another vehicle or an injury, the appropriate law enforcement agency shall be notified to obtain a full accident report.
- K. Use of Electronic Devices. Elected officials shall refrain from operating hand held cellular telephones or any other device that may cause vehicle operator distraction while operating a City vehicle. Elected officials shall make every attempt to properly park their vehicle or use a hands-free device when using such equipment.

L. Safeguarding Issued Equipment.

1. Elected officials are responsible for safeguarding City-issued equipment associated with their assigned vehicles. This includes, but is not limited to, issued equipment which is normally left in the assigned vehicles. The elected official shall ensure that all equipment is safeguarded prior to

parking/leaving the vehicle.

2. The City will assume no responsibility for personal property stored or left in a City vehicle.

M. Reporting Requirements.

- 1. To reserve City vehicles, elected officials must forward a copy of their driver's license to the Human Resources Department as requested or when there is a change to their license.
- 2. Elected officials who operate any City vehicle are responsible for notifying the employee designated by the City Manager to administer reservations of any restrictions, limitations, or other change in their driving status.

CITY OF SOUTH FULTON ADULT PASSENGER WAIVER

In consideration of the City of South Fulton, Georgia's ("City") authorization to allow me, the undersigned adult passenger, to ride in a City vehicle, the sufficiency of which is hereby acknowledged, I do hereby waive any and all claims, liability, rights, actions, suits and demands, including any rights under a claim of loss of affection or of consortium, whether in law or in equity, which I may now and/or hereafter have against the City and/or the City's employees, officials, representatives, officers, sponsors, contractors, and/or agents, arising out of any accident and/or injuries related and/or connected to my transportation in a City vehicle during the effective period of this Waiver. This Waiver shall be binding upon me and my heirs, personal representatives and assigns. I acknowledge that I am not acting as an employee of the City; therefore, I shall not be entitled to participation in, and/or receipt of, any employee benefits or welfare plans. I hereby certify that I am 18 years of age or older and competent to execute this waiver ("Waiver").

I further acknowledge that I am aware of the inherent danger of operating a vehicle and/or being a passenger in a vehicle, and will comply with all laws and regulations governing such activities. I understand that the inherent dangers associated with vehicle transportation may include serious personal injuries and/or death. By my signature appearing below on this Waiver, I acknowledge that I am voluntarily exposing myself to such risks in exchange for authorization to ride as a passenger in a City owned vehicle. No oral representations or inducements have been made to obtain my signature on this Waiver. If any portion of this Waiver is held invalid, it is agreed that the balance thereof shall continue in full legal force and effect. Moreover, this Waiver may be pleaded by the City, and/or the City's employees, officials, representatives, officers, sponsors, contractors, and/or agents, as a counterclaim to and/or as a complete defense in bar or abatement of any action of any kind whatsoever brought, instituted, or taken by or on my behalf concerning my transportation in a City vehicle. I further agree that this Waiver shall be governed by the laws of the State of Georgia.

DATE: April 23, 2020

SUBJECT: City of South Fulton Zoning Rewrite Update

The purpose of this correspondence is to announce the proposed schedule for the City's ongoing Zoning Ordinance Rewrite Project. The City has spent several months preparing the draft Zoning Ordinance and staff is prepared to present the final product to City leaders and public stakeholders. Staff is preparing to share the summary of zoning update recommendations and the draft ordinance based on the proposed schedule below. After review of the file and subsequent comments are provided, a final file will be created and prepared for adoption. The file will be brought to Mayor and Council (MC) by an official recommendation of the Planning Commission (PC) through this process. Below you will find the proposed dates and details of the proposed adoption of the Zoning Ordinance.

Schedule of Events

Submittal of Draft Zoning Ordinance for Review

- Date scheduled: April 28 May 14, 2020 (detailed schedule below)
- Method: Direct emails
- Presentation: The Planning Commission and Mayor and Council will receive the draft ordinance, by individual Articles, for review via email. After each review of the Article, all comments or questions will be submitted to the Planning and Zoning Office at planning@cityofsouthfultonga.gov. Comments will be received and reviewed by the Planning and Zoning Office and Wood.

Virtual Public Open House

- o Date scheduled: May 12, 2020
- Method: Virtual Meeting via Zoom.com (details to follow)
- Presentation: The Virtual Public Open House will be presented in a webinar format to serve as a refresher of the overall recommendations provided to Wood from the start to finish of ordinance text. This interaction will allow all attendees to identify the edits that were made based on their input and involvement, and to pose additional questions and receive responses. Related information will be posted to the Community Development & Regulatory Affairs (CDRA) dedicated web page for the Zoning Ordinance Rewrite project in advance of the scheduled meeting date to provide extra public review and comment opportunity.

• Planning Commission (Special Called Meeting)

- o Date scheduled: May 20, 2020
- o Method: Virtual Meeting via Zoom.com (details to follow)
- o Presentation: Review of draft Zoning Ordinance and receiving comments for recommendation to Mayor and Council.

• Mayor and Council (Special Called Meeting)

- 1st Reading {Public Hearing}
 - Date scheduled: June 2, 2020
 - Method: Virtual Meeting via Zoom.com (details to follow)
 - Presentation: Review of Zoning Ordinance draft and receiving comments for final edits and additions.

2nd Reading – {Final Adoption}

- Date scheduled: June 11, 2020
- Method: Virtual Meeting via Zoom.com (details to follow)
- Presentation: Adoption of Zoning Ordinance

Zoning Articles Submittal and Review Schedule

The below schedule anticipates a process of review for draft articles in groups, with Articles 1, 2, 3, and 9 first as a group; then Article 5 (Overlay Districts); then Articles 4, 6, 8 and 10; and lastly Article 7 (Signs). The grouped articles are related closely in content as well as flow-sequence.

Following the staff review process, articles will be sent in these groupings to the Planning Commission and Mayor and Council for review. We request that the Planning Commission and Mayor and Council review comments be provided via email by the dates indicated. This will allow most of those comments to be factored into Public Open Houses and into the final revisions prior to formal Planning Commission consideration, to be followed by 1st and 2nd readings and adoption by Mayor and Council.

As the second quarter of FY20 ended on March 31, 2020, the FY20 Goal Tracker is a document to track the collective progress in meeting the short-term FY20 Goals that were developed as a part of the FY20 budget, which aligns with the long-term 2020-2023 Strategic Plan. The document tracks the goals for each individual department in Operations only.

The document evidences that the City has already met or is on track to meet all identified targets within this fiscal year, notwithstanding the effects of COVID-19. We highlight and appreciate the efforts of the team in ensuring world class service to the 100,000+ residents of the City of South Fulton.

Implement virtual 1st appearance to ensure compliance with federal timeline	Courts	Courts is currently working with Courtware to gather more information on the offerings available however, First Appearance Hearings have been in compliance with the federal guidelines (48 hours upon arrest without a warrant and 72 hours with a warrant).	Courts is working with both Courtware and the COSF IT Dept to find a definitive way to implement this goal given the current climate of court sessions. Citations written for criminal offenses that are within the COSF jurisdiction receive a copy of charges with a definitive court date.
